As regards to future, I wish for continuation in production of this Newsletter. It provides interesting professional and also social information. One obtain worldwide overview in privacy protection activities.
 When I look for some historic document (eg. Conferences resolutions) I open this Newsletter. Let's continued.
 I am also fascinated by the Secretariat effort and professionalism provided by the Office of the Privacy Commissioner, New Zealand. Many thanks for that!!

I particularly like hearing about new tools/publications such as the Norwegian publication last month. More of that would be great.

Summaries of leading cases - particularly from Supreme Courts of member countries might be interesting.
