Dear Mr Ihrai

Morocco to host the 38th International Conference of Data Protection and Privacy Commissioners in 2016

Further to my email of 29 June 2015, I am delighted to inform you that the Conference has selected the Moroccan Commission for the Control of the Protection of Personal Data to be the host of the 38th International Conference of Data Protection and Privacy Commissioners in 2016.

The Executive Committee Secretariat will soon be in touch with your office to discuss certain matters of detail.

It will be a major milestone for the Conference to hold its first meeting in the Africa. I look forward both to you joining the Executive Committee in October this year and to visiting Morocco in October 2016.

Yours sincerely
