

In A Bird's Eye View: A selective account of the 38th Conference as seen from the Secretariat's tweets 15 - 20 October 2016

The ICDPPC Secretariat launched its twitter account on 28 January 2016, Data Protection Day. This was the first annual conference with the account operating. With the permanent website in place, tweets from 19 October onwards were able to include links to adopted resolutions. This brief account gives a glimpse through 140 character tweets and illustrations of the Marrakech events.

Saturday 15 October Delegates begin arriving
