Dear Hannah

Network of Networks – Notification of Liaison Officer for Intentional Conference of Data Protection and Privacy Commissioners

With reference to your letter of 21 August 2015 I notify you of the appointment of the Executive Committee Secretariat as the ICDPPC Liaison Officer for the purposes of GPEN's Network of Network initiative.

The Conference congratulates GPEN on the initiative. The project's aims are in keeping with objectives expressed in a 2014 Conference resolution which mandated the ICDPPC Executive Committee to explore with GPEN and similar networks practical options and opportunities for better coordinating efforts to improve enforcement cooperation.

The project is also a good fit with the "Strengthening Our Connections, Working With Partners" strategic direction the Executive Committee will propose that the Conference adopt in October to encourage the Conference to develop supportive connections with networks involved in cross-border data protection and privacy enforcement.

The Secretariat will be in touch to discuss matters of detail.

Yours sincerely,

Blair Stewart
