4. DESCRIPTION OF THE INITIATIVE

a. Please provide a brief summary of the initiative (no more than 75 words)

KVKK AT SCHOOL PROJECT

This project aims to raise personal data awareness among school-age youth, to raise awareness about online privacy, and to share practical information on protecting personal data.

b. Please provide a full description of the initiative (no more than 350 words)

With this event, the Authority's specialists and relevant staff aimed to instill privacy awareness among primary school students (5th-8th grades), to inform them about the personal data processing processes they encounter in daily life, and to draw their attention to the privacy risks posed by the digital applications they use.

In programs organized in selected provinces, children's privacy awareness was increased through interactive presentations and educational videos specially prepared for children.

c. Please explain why you think the initiative deserves to be recognised by an award (no more than 200 words)

Ten different schools were visited in ten provinces of Turkiye. Around 2000 students (200 students in each school) were trained in the subjects of personal data protection and data security. Books, leaflets on personal data protection, and also board games designed by KVKK experts were donated to the schools' libraries. Students' questions on data protection were answered by KVKK experts. Through these visits, the awareness level of students and teachers has been raised.

d. Please include a photograph or image, if you wish (This will be published with your entry on the GPA website. The image can be pasted into the box below, be sent as an attachment or a link may be provided)

- e. Please provide the most relevant link on the authority's website to the initiative, if applicable (*The website content does not need to be in English*)
